

ALBERTA 5 PIN BOWLERS ASSOCIATION

The Alberta 5 Pin Bowlers Association is proud to introduce our newest Lifetime Member Brian Rossetti.

Brian's involvement in our sport spans decades, beginning in September of 1979 when he first attended Alberta 5 Pin meetings as a South Zone Representative. Even in those early days, it was clear that he had a passion for the sport and a desire to contribute.

He would later return to the provincial board in 2003 as President of the Master Bowlers' Association of Alberta, a role he has held for over 20 years. His leadership during that time has been instrumental in the continued growth and success of the Masters program within our province.

In January of 2017, Brian took on an even greater responsibility, becoming President of the Master Bowlers' Association of Canada, following Walter Heeney's remarkable tenure. Since then, he has continued to guide the organization at the national level, helping shape the direction of the sport across the country.

Brian has been an integral leader within our bowling community. He has consistently been a strong advocate for bowlers, always ensuring their voices are heard and their best interests are at the forefront of every decision.

What truly sets Brian apart is the way he approaches leadership. He is fair, thoughtful, and collaborative; someone who understands the importance of working together. His ability to build and maintain strong relationships with other associations is one of the many reasons Alberta continues to enjoy such a positive and unified bowling community.

And while his leadership off the lanes is exceptional, his accomplishments on the lanes are equally impressive.

Brian has built an outstanding competitive resume, representing Alberta many times at the highest levels within both the Canadian 5 Pin Bowlers' Association and Masters events. He has also given back as a coach, leading teams at the Open National Championships in 2002 and 2011, sharing his knowledge and passion with the next generation of athletes.

Brian Rossetti's impact can be seen in the strength of our programs, the unity of our associations, and the countless athletes and volunteers who have benefited from his leadership.
