

ALBERTA 5 PIN BOWLERS ASSOCIATION

The Alberta 5 Pin Bowlers Association is proud to introduce our newest Lifetime Member Trudy Metcalfe.

Trudy stepped into a pivotal role in 1996, becoming Alberta's second Technical Director, following Fran Clarke. What followed was a decade of commitment, leadership, and tireless effort, as she served in that role until 2006.

The position of Technical Director is one that often works quietly in the background, but its impact is felt everywhere. And for ten years, Trudy was at the center of it all.

She played an integral role in organizing many of our province's most important events, including the Youth Challenge, and the Open. Year after year, she helped ensure these events ran smoothly, successfully, and at a level our athletes could be proud of. Her work didn't stop at the provincial level either, as she was also involved in helping host national events such as the 2003 Youth Challenge, the 2005 Open & Master Nationals, contributing to experiences that extended far beyond Alberta.

Trudy also had the opportunity to step onto the lanes in a different role, coaching Team Alberta at the 2000 Youth Challenge Nationals. While that team came just short of reaching the finals, her leadership and dedication left a lasting impression on those athletes and on the program itself.

But beyond the roles and responsibilities, what truly stands out about Trudy is the way she was regarded by those around her.

She was respected. She was trusted. And most importantly, she was genuinely appreciated by the bowling community she gave so much to.

Trudy Metcalfe's contributions helped elevate our events, support our athletes, and strengthen our organization during an important time in its growth. Her efforts remain part of the foundation we continue to build on today.
